DETAILED ITINERARY FOR THE 4 DAY KRUGER NATIONAL PARK TOUR

Day 1: Gauteng to Campsite

You will be collected by one of our friendly **Selous Tours** guides, meeting and setting off with your fellow travellers towards our Campsite, **Andover Nature reserve**, which is nestled in the **Greater Kruger National park** area. Along the journey, regular refreshment stops will be made (at your own cost), heading towards **Hoedspruit** where we will do all our shopping. We then visit the **Maholoholo Animal Rehabilitation Centre** where you can interact with a variety of animal species. One of the highlights is allowing a vulture to land on your protected arm and feeding it meat from your hand! From there we continue to our campsite where, while our cook will start preparing dinner, you will have the opportunity to clean up and relax while sitting around the campfire taking in the atmosphere and surroundings of the **African Bush**.

Approximate times for the day:

Depart, after all Pickups: 07h00 Arrive at Hoedspruit: 14h00 Driving time, including stoppages: 7h00m (from Nelspruit: 2h00m) Meals included for Day 1: Dinner

Day 2: Campsite into Kruger National Park

The day begins as the sun rises. After a light breakfast, we head towards the **Kruger National Park**, entering at **Orpen Gate**, where we pick up any last minute snacks/refreshments (your own at your own cost) for the exploratory road ahead. The day will be spent leisurely driving, and eagerly seeking out whatever game comes our way. Guides will stop as often as desired for prime photo opportunities and to answer any questions. Our route will take us to a picnic spot where your Guide will provide you with brunch, while preparing you for the remainder of the day's game viewing, looking forward to getting a glimpse of the infamous **Big Five**. We stop for a short shopping opportunity at one of the rest camps, which offers a welcome opportunity to stretch your legs. The rest of the afternoon is spent trying to find those animals that have eluded us during the morning drive. We then make our way back to camp, where our cook will start preparing dinner while you clean up and relax around the campfire and enjoy the atmosphere, discussing what you had seen.

Approximate times for the day:

Depart: 05h45 Arrive back at camp: 18h30 Driving time: all day until late afternoon...

Day 3: Campsite into Kruger National Park

Another early morning start and after a light breakfast we head back to the **Kruger National Park**. We stop again at one of the other picnic spots for a brunch, and later another stop at one of the rest camps to stretch our legs. Slowly as the day goes by our game drive in **The Kruger National Park** comes to an end with the sun setting behind the **Drakensberg Mountains**. We arriving late afternoon at camp, While your evening meal is being prepared by our cook, you can get ready to journey back into the bush, this time in search of the nocturnal animals on the evenings **Sunset Game Drive** within the beautiful, 7000h.a **Andover Nature Reserve**. It is here, where our long day ends. Your cook has prepared one of our most favourite dishes, a **South African Braai!!!** The evening is spent sitting around the campfire, reflecting and sharing your experiences of the last few days.
